The Lady:

Mid 30's, very fit and toned body. Pert breasts and a very nice ass. Facially pretty without being stunning. Fantastic smooth skin all over.

The Story:

Started with a back massage paying a lot of attention to my balls. Being a bit eager couldnt wait to turn over and get those nipples in my mouth and my fingers in other places. Tammy asked if i would like sucking and the answer was obvious. On went the condom and tammy sucked me while i fingered her. We then moved to tammy on her back putting on a toy show while she continued to suck me. This left me all too ready and we finished in doggy style. Had a chat afterwards and was made to feel comfortable. Would recommend to all.
