The Story:

Made my trip very enjoyable. Very good sense of humour and put me at ease very quickly.. Im not a regular punter and was quite nervous.

I can see now why some people fall for these proffesionals.. felt like i was spending time with my Girlfriend.

I wont go into any details, however Tara made me feel whole again and is natural Lady..

I'd like to thank her for that, and hope you all treat her like the gem she is... if i could figure a way to keep her to myself i'd jump at it.
