The Premises:

Flat in a typical house in the Earls Court area. About a 5-10 minute walk from exhibition centre. Room was a bit dimly lit with candles. Bed was ok but clothes had to be put on the floor.

The Lady:

Pictures are probably a little over glamourised as she is a bit podgier than her pictures depict though still quite attractive.

The Story:

Wasn't too impressed with the room as it was a little dark but I got the impression that she does this on purpose to avoid clients seeing what she looks like in more natural lighting. Elisa is quite an educated woman and quite articulate. She has a nice rack, but wasn't what I would class as 'fit and toned' though she does have the potential to be a babe. To her credit she gives good owo and didn't appear to have any reservations with CIM. (She doesn't swallow). It was rather a strange punt as she didn't take much initiative and is more of a talker than a pse or gfe. She was friendlier than some girls I've seen but lacked the total package of shag bunny/gfe type. Only had 1 pop as she wasted a lot of time in conversation. 7/10 for looks and 6/10 on service and effort.
