The Premises:

Clean area. Discreet entrance. pitch black hallway - no lights on at all candle lit room -romantic but hard to see the girl

The Lady:

attractive if a little shorter than envisaged . Wore a bathrobe over sexy boddice which she removed after payment

The Story:

Mixed experience if truth be known. Nice sexy foreplay including licking balls / side of shaft. pleasant kissing but not full on DFK.

when asked her to suck me to my surprise on went the cap . I had assumed owo was on offer. however very professionally applied and as I played around with her pussy she really came to life in the juice department. She gushed and her whole body shook with orgasm. Couldnt get inside her quick enough to feel the impact of her continual cumming. She has a very large clitoris which was soaking wet after round 1 and got even wetter during finger play in round 2. In summary pleasant sexy experience in which I easily came twice in the hour which is a reflection of her sexy movement and seeming enjoyment of the session. But wouldn't rush back. worth a visit though. More lighting would be good
