The Premises:

Us usual, entered at rear, which is fairly private. Room clean and tidy, it was my 1st time in the front room, which is bigger and has shower, which is a bonus.

The Lady:

Lacey is in her mid 20's. She is very pretty, with gorgeous dark eyes and a curvy figure. She is friendly and chatty and eager to please.

The Story:

If I am honest, I had gone in the hope to see Astrid, who I am desperate to meet, but Lacey didn't disappoint!

This was the most relaxing massage I have ever experienced before the fun begins. Lacey takes time to make you really comfortable, and showers the whole of your body with little kisses. She also puts her long nails to good use as she tickles them all over you. She spent plenty of time nibbling my ear and neck, which I think she could tell I was really enjoying!

I opted for owo and cim, which was 20 pounds extra. But before she went to work, we enjoyed lots of nice kisses with plenty of tongue. I also gave her a long session of my best oral, she didn't really seem to be that into it, but she has a lovely tasty pussy and I was happy to lap away for ages!

After I finished, she went to work on my cock. She took her time with lots of nice sucking, without wanking me off to an early finish! Lots of spitting and rubbing was really dirty, just like a porn flick. She eventually finished me off and took a full load in her mouth, really sexy!

On the way out I met Astrid, who is stunning as well. Now I want to return for a really indulgent 2-girl session!! Watch out girls, I'll be back!!
