### The Premises:

Clean secure serviced apartments in Kensington. Discreet and met no-one in the corridors either arriving or leaving. Apartment was small, but functional - resembled a hotel room more than an apartment. Amy created a nice ambience with candles - although had to watch I didn't set fire to my clothing in the heights of passion while disrobing!

### The Lady:

Blonde, slim, leggy and a bum to die for. Turn her around and she has a fantastic pair of (enhanced) breasts - the kind you can play with for hours! Pictures on the site are representative, although slightly touched, I think. Very lovely looking woman, though.

### The Story:

Will spare the details, but it was a good hour. 2 rounds - over unexpectedly quickly on both counts - but that must be down to the horny woman I was with! Self control - what's that? Amy delivers a good GFE and is pleasant to chat with between rounds. No rush to kick me out despite being over time slightly. Would recommend and will revisit just to prove I am not Mr Spoil Spurt !! - to me more than her! (Never seem to have that problem with the wife!) Thanks Amy!
