### The Premises:

Discreet upmarket modern apartment in a safe area. Good parking. Everything spotless and tidy. Just before I arrived Pia had been busy sorting out the squeaky bed with her WD40, so we had a nice quiet time.

### The Lady:

Tallish blonde in her late thirties, size 10-12. Slim waist and broad hips, making a delightful hourglass figure. Pia has a bottom to die for. She greeted me with a warm, welcoming smile that put me at ease straightaway.

### The Story:

Pia is a very genuine, intelligent Danish lady, quick witted and with a keen sense of humour. She has a deep understanding of male sexuality and seems genuinely interested in her clients.

Pia's oral skills are well reported, but there is much more to her than that. She is a superb sexual partner in every respect and her sensual body is one of the most responsive I've found. I'm sure your imagination can fill in the details. It was refreshing to find an escort who took the trouble to find out what I really liked and needed rather than provide a standard service.

I understand why Pia was voted 'Escort of the Year 2005' on the PboroPlus forum. Definitely one of the best around, she gets my vote for 'Rear of the Year' too.
