The Lady:

Voluptuous is a good word to describe Belanna. Not a BBW by any means but not for you if you like 'em too thin. Chatty and friendly

The Story:

I chose Belanna because I wanted to try an hour with a naturally submissive woman. She dressed to please although got an extra hard spanking for wearing flesh coloured stockings rather than black ones and no suspenders!

It was a terrific hour. Belanna loves to be commanded and came twice as I spanked her, made her deep throat, suck my balls & lick my ass. I fisted her, fucked her with a giant dildo (she loves having fingers in her ass as well as cunt) and I finished by fucking her from behind and then coming in her mouth which she gratefully swallowed.

We had a shower together and a chat before I left, truly knackered but with a heck of a smile on my face.

She is a great lady, treat her nicely fellas, but treat her mean!
