The Premises:

Very clean and modern.

The Lady:

Tall, slim and hot looking blonde. Raunchy rather than girl next door looks.

The Story:

3 ladys introduced themselves to me. Tia held the most appeal due to her height and her raunchy look (and those black shoes with the buckles, Tia).

I've decided to write a report, because I feel that a couple of recent reports on Tia seem a bit unfair, if my experience was used as a benchmark.

Yes, there is a certain amount of distance but Tia was pleasant, kissed me beautifully, gave me a sexy body to body massage and adequate (unenergetic) missionary. No OWO, which I would have liked.

Tia was only slightly mechanical, but was very professional.

What do men actually expect more than that which was provided to me ?

Unless a woman is actually a nymphomaniac, it is unlikely that she is going to be in raptures everytime the 5th stranger that day asks her to behave like she was his girlfriend.

Give her a break.
