The Premises:

very pleasing entrance small discrete yard to hide in while waiting to be let in. felt very safe. receptionst made me feel welcome. inside very clean and much changed since the last time i visited last year

The Lady:

chantelle was exactly as described on phone a lovely sexy bubbly personality blonde specialising in bdsm what was just up my street. a true dungeon diva . proffesional and experienced.

The Story:

after discussing my requirements , was bound with cling film , my cock was strapped up and i was lead around the room. whipped to submission using my favourite the riding crop and clamps. i finally was allowed to cream her black stilletoes . deffinatley be calling to see her again.
