### The Premises:

Safe residential area with lots of on street parking close by. Be careful of the traffic as it whips around the corner though. The establishment itself is not only clean but well looked after and of standard and "The Boss" really does make you feel welcome.

### The Lady:

Cassey is a mixed race lady in her early twenties, slim and with some wonderful curves to boot. To complement this she has a fantastic smile and laugh thats infectious.

### The Story:

Paid for the "full" service which included oral, reverse oral, and kissing. OMG. From the start of a fantastic massage, through to unbelievable deep throat and sex which followed, this girl was amazing. What a find, I will be going back!
