The Premises:

The Garden of Eden is clean with a good atmosphere. We had the VIP room that includes an en-suite shower and a four-poster double bed. There is good off street parking nearby.

The Lady:

She is a 22 year old blonde with great (enhanced tits) and a well proportioned body. Her pubes are neatly trimmed and her pussy is shaved. She has the most perfect teeth that I have ever seen which are surrounded by a very wicked smile. You know straight away that you are going to have a good time.

The Story:

Tiffany is an old favourite of mine. I have visited her regularly for the last 18 months. However she still has some surprises. We started with a covered BJ after which she rode me cowgirl. We then broke for me to go down on her. She has the sweetest pussy and is a good teacher showing me how to use my tongue to bring her to orgasm (twice this time but the record is seven in one session). Now as they say in the Sainsbury advert 'try something new today'. Tiffany produced her strapon dildo and eased it into my bum. She was very gentle. Once I relaxed I started to enjoy it. Then she fucked me hard. This was a first for me and I really enjoyed it. We finished with me on top. A very enjoyable 2 hours. Tiffany is very sexy and gives a good unhurried service. She obviously enjoys sex. I will be back for a repeat performance soon.
