The Lady:

A Russian lady mid twenties at a guess 5'8" with a very slim body, a shaved pussy with a small tattoo on the small of her back of two dolphins facing each other. Only works Wednesdays and has been at Valentines for about a year.

The Story:

Started with me giving her a massage without oil or cream to her all over sun tanned back I then turned her over for the front with me getting a large hard on. She then gave me the best OWO I have ever had that went on for ever, nearly came in her mouth but stopped just in time. So it was on with the condom for her to ride me cowgirl style but I came very quickly after that OWO. Very chatty afterwards and she would be worth seeing again.
