The Lady:

Helen is quite tall with dark hair and GORGEOUS 34dd boobs which are very, very sensitive - good legs. She has a very sexy voice on the phone and is a non-smoker.

The Story:

she started with a Kiss while giving me a hand job, very nice, and I was happy to let her, then onto a 69 where I licked her arse and shaved pussy for about 15min's .

She then put a condom on me and we fucked in missionary with her legs right back to take more cock, as we kissed again, I couldn't last any longer and shot a good load deep in her, she loved every minute.

She then sucked on me while we chatted (sexy talk).

There is no clock watching with her, I believe she used do this as a hobby until someone offered her money, now she does it to make a bit cash, and who wouldn't if they were given the chance.

she is quite willing to do anything with you, once she get's to know you, and loves her work.
