The Premises:

This is the "Stunners" venue in Bury, North of Manchester. Easy to find and easy to get to. Plenty of side street parking even during the day, but you may have to walk a little further during working hours. Discrete back door entrance, not overlooked. Very welcoming reception area and receptionist. A drink is always offered, food is readily available and there is a wide screen TV in the lounge.

The venue is always clean but not all rooms have an en-suite so be sure to ask for one. I am told they are to fit en-suite showers to all rooms soon along with power showers. Watch this space ! the rooms are basic but clean and airy and lots of towels available.

The Lady:

Foxy can be summed up in three letters.....WOW ! Very pale skin, yet not unhealthy looking. Smallish boobs but still a nice handful, lovely nipples. She has a fabulouse figure if you like slim and leggy girls. I DO ! From head to toe she is a very attractive woman. She is shaven and neatly shaped. A delight to eat ! (Front and back !)

The Story:

She is friendly, chatty, but not OTT, intelligent, has a nice southern accent, a lovely smile, and to coin a well used statement...her website photos do not do her justice; and I told her so. She relaxes immediately and relaxes you even sooner. I will not detail all the visit but I will say that she enjoys receiving as well as giving pleasure, in all kinds of ways. She is a lovely person to be with, and genuinely wants to give pleasure to her client. Her OWO is perfection, especially without hands; her creamy massage is heaven, her body has not got one flaw. Do not close your eyes during your time with her because you will miss her piercing eyes and the positions she adopts, as well as her wonderful smile.

Do not see this girl.....I want her to myself.

Foxy...I hope you remember me, not tall, a little overweight, glasses, but you seemed to enjoy the attention I gave you. I certainly enjoyed your service. Can't wait for my next trip up North.
