The Premises:

I have visited babes on a number of occasions and am always impressed by the warm welcome and helpfulness of monica on reception.

I believe that babes has been recently taken over and there is a lot of improvements taking place. At last nice new big towels!! Place being completely redecorated and refurnished. new showers etc on there way!! Its all looking good

The Lady:

Holly is a gorgeous petite young blonde with a firm toned body.

Kristiana is a sexy busty brunette.

The Story:

I have seen both Holly and Kristiana both seperately before but decided to treat myself today and see them both together.

Holly is a very wild raunchy young blonde who is pretty up for almost anything, she really knows how to get you going.

Kristiana is a more sensusal sort of girl, but is amazing at what she does.

lets just say i had the time of my life and would highly reccomend seeing both or either of these two girls.
