The Story:

Had a fantastic time and to say it was a GFE would be an understatement as we got on so well. Was very nervous at first but she did her best to get me out of my shell and eventually we got on like a house on fire. Feel a bit funny about writing the report as I feel what happened is between us but wanted to thank her in case I dont see her again (if that makes any sense).

Dont really want to recommend her as I want her all to myself! but if you want a true GFE and your a nervous punter like me, go see her, I really cant imagine their being any better out there.
