### The Premises:

Nice apartment, clean with an candle lighting giving an atmospheric glow to the room.

### The Lady:

Mid 20's and sensational looking in leopard print dress. She has beautiful eyes, long luxurious dark hair and is easily surpasses her pictures.

### The Story:

Bridget was great and soon put me at my ease with a nice glass of wine. I don't normally go in to detail but her OWO was superb. She is intelligent, warm and friendly to talk to with lots of eye contact. A real GFE, successfully massaged my ego with comments regarding how young I looked for my age. The sex itself was excellent, I was fairly conservative in my demands but she would have gone further I'm sure.

What more can I say a great all round experience from a good agency. When time allows I really hope to return and go further - highly recommended.
