40's, attractive with short blonde hair, rounded, with lovely large breasts. Very friendly.

### The Story:

I went for full personal. This started with a nice massage, including with those wonderful boobs, and gradually feeling down between my legs for my balls. She mentioned that she also specialises in domination, and this got me really excited (I'll come back for a session with her!) I turned over, and she gave me oral (covered), which was very good, and then sat on me. After a time, we went into mish, where I came loudly, with her pulling me into her. A very satisfying punt. I'll be back for more. The only down side was that there was no maid, and we'd only just got started when Maggie had to answer the door. Luckily the only time!!
