The Premises:

Safe, immaculate, easily accessible flat, anonymity assured. Hospitality as always excellent and utterly genuine.

The Lady:

Tania is a gorgeous black bombshell with stupendous pendulous breasts and shaven studded pink purring little puss! Tania is another lady from the northern party retinue who is articulate, intelligent and utterly sociable making this an ultimate and I think as intimate a party experience as you can expect.

The Story:

Accompanied by two other ladies the delightful and wickedly incorrigible Nikki and sexy Sue, Tania was absolutely sensational and when she invited me to indulge in her delights with ass in air and pussy spread akimbo then self control was a momentary aberration! Special thanks and appreciation need to go to the remarkable swinging couple, from Ayrshire of all places, Jane and Paul. Jane was a squirt lovers dream and for the ladies this guy is one well hung dude so fun for all!! Haste ye back!!
