### The Premises:

An upstairs bedsit rather than a whole flat with a separate bathroom. The area is nice and feels safe and the place itself is quite cozy.

### The Lady:

As per the photos, but more bubbly and with a dazzling smile. Blonde hair, cute body, luscious breasts - very nice indeed.

### The Story:

This review should really be a bad one, but I can't write a bad review as the girl is so lovely. I choose Kelly because of her looks and I liked the services on offer - FK, OWO, CIM, GFE but that wasn't what was available. So I have to start wondering what Angels of London are playing at - this is the second girl who hasn't been as advertised! Very bad.

However, in this case, I can't really have a go at Kelly because she is so sweet and friendly - she just has a restricted list of what services she will perform. No kissing, no reverse oral, no fingers, everything is with - the usual ingredients for a bad punt. But this time there was no malice or bad attitude at all, just a smile and polite refusal. Language was a problem, but not really a barrier and she tried very hard to please within the rules that she set. She is very tactile and loves to cuddle and fondle and gives a nice massage. The irony was that after even a small amount of foreplay she was literally dripping wet! If she could loosen up and let herself go a bit, she would probably be in my top five (or even three) favourite punts. She's also a smart cookie...

I think that Kelly is in the Love Em/Hate Em department, you can't have it both ways. As such, there will be some that will adore her and won't mind her restrictive services so I will tentatively recommend her. However, at the moment, I won't be going back unless I read a few more positive reviews about how she has changed.

And I will certainly be wary of the Agency from now on!
