The Story:

This is not my first party at Lady M's but my first party after they moved from paddington. I rang 15 minutes after the party started but still welcomed. When i entered the apartment M welcomed me with my name. You know if you go where people know you by name you would be having a good time and damn i had a great time. I had a glass of white wine and went into the bed room. Robyn made me cry with her great blow job and did not leave me till i cummed on her ooh .. my god..the most amazing natural breasts. I took a quick bath and walked into the hall and had some great chat with the other guys and had another class of wine. While chatting Janca walked in and when she told me she was from Belgium we hit a chord as i worked in a place near Antwerpen for some time .We went into the bed room and she gave me a great blow job and she rode me some time before allowing me to finishing in her cunt in mish. I thought iam spent but the beauty of Gina drew me onto the bed for the third time .She was on the swing and she poured some wine onto her cunt and welcomed me and i did what was needed and finished off for the third time in 90 minutes. Ofcourse i missed the good looking Larisa

Well while walking back i was thinking why am i spending 150 pounds for 1 hr with escorts without having half the fun. Well thanks M and girls next time i wish i come to a longer party and be a bit early to have more share of fun. Each time i go to a sex party - four times to be precise i think about the oddity of being nude before other men but once iam at M i never feel it and enjoy myself and see others enjoying. In short go guys enjoy and in M's words " Have great recreational sex"
