The Lady:

Valery is just like the pictures, very attractive. Spoke very good english. Lovely body, especially her bum, quite fantastic.

The Story:

She was friendly, but not overly so, but she said she was recovering from a cold. Kind of followed a set pattern. But none the less very enjoyable. Oral without (after washing my cock in the sink) then cowgirl, reverse & finally from behind for explosive finish. Short break for a chat, then an excellent relaxing massage. Although I was feeling tired, she raised another stiff response with an oily wank. Then she rode me again & again I fucked her from behind for pop 2. Then we had a shower together and she dried me off. Overall a very enjoyable punt.
