The Premises:

Area is the not so nice part of Bounds Green - but that's just because I am very area conscious, and live in Bounds Green too - Her apartments are brand new though - and the place was clean and nice

The Lady:

I was slightly disappointed at her appearance after the website shots of her - but she is beautiful nonetheless - just not a complete goddess stunner - Her pics make her look somewhat younger than she actually is

The Story:

Kelly is a 10/10 punter experience. (at least it was that way for me). She was always saying - wow , your so handsome, I like you a lot!, etc - and we started off with heavy petting and foreplay, whilst she was making sultry noises. I went down on her, and then she gave me OWO - startled at the size of my dick. Her comments were - some guys that come here are very big physically, but with small cocks - you on the other hand have a beautiful large cock. Her OWO skills are to die for - seeing that beautiful head bobbing up n down was a pleasure - she then put a condom on - but as she was taking me in - had to stop, comment on how big I was - and then rub some KY onto me. When I finally entered her - the way we synchronised was amazing - she started riding me cowboy style, but then quickly shuddered and fell on top of me - our hips were moving in unison and perfect rythm, whilst she was writhing and screaming in something.(agony, pleasure, who knows). The climax was a real climax - we both held each other tightly after i came, enjoying that after moment of complete bliss.

We then talked whilst she massaged me - saying how good looking I was, where I am from, what do i do, etc - she also told me stories about china. Massage skills were great too.

The thing that touched me the most - (and in my experience, only asian girls do this kinda thing, without being labelled as a sexual sub) - she dressed me - opened my shoe laces - and put my shoes on and tied them up for me. I felt regal!

Final word - if you are looking for a satisfying fuck rather than some 6ft vogue cover model stunner - Kelly will take you to the heavens and back.....she is a sweet, gorgeous, well mannered, Asian

princess - and I would lve to see her again
