The Premises:

In Telford terms Woodside is one of the worst areas of Telford. However to put it in perspective its 10 times better than many of the places that you find parlours in Birmingham. It was dark when i arrived and the area didn't feel intimidating. There was plenty of parking and the maid came out to meet me as it was my first time at the new address. The house is a small mid terrace. It seemed clean and reasonably decorated, i've been to many worse. One upstairs bedroom is given over to the "treatments" This had low lighting but not too dark.

The Lady:

Best for you to look at the website where there's a picture. Unfortunately the pic is only a body shot. Fortunately Kim is a very attractive, friendly girl, white, mid 20's, blonde, about size 12.
She had a lovely personality and made me feel instantly at ease.

The Story:

I wasn't kept waiting, (i had pre-booked though, i don't know if this helped things). There was no obtrusive phone ringing, doorbell ringing or maid knocking on the door, but the two dogs locked away in the kitchen got a bit frisky at times.
Because Kim was so attractive i decided to go the whole hog. Full service inc OWO, kissing, reverse oral, several position sex and finished off by cumming over Kims tits. I asked for future reference about other services and she doesn't do anal, but for pleasant clients will allow some spanking and water sports.
It was such a relief to get a good experience again, i was beginning to think that parlours were only full of 19 year old non english speaking Albanian students that patently don't want to be there. Kim made me feel great and seemed to enjoy her work. Will i be back, YOU BET!!
