The Premises:

Very close to earls court tube, beside the exhibition centre. Nice flat in 2nd floor, felt safe. Leanna works from there with other two girls from the same agency.

The Lady:

When Leanna opened the door, I was surprised, is the same girl in the website? yes, she is, website photo's are little bit photofinished with some software, now it's known by everybody, I think, but still she is attractive, soft and polite with an amazing figure. Her face is ok, not so good like website but still it's fantastic.

This agency is very good and co-operative but this time they didn't pass my dress request.

The Story:

After sorting the finance, she gave me very good massage with some oil, it's very good and she really knows how to do that (Of course, I was naked). Then she started to give me a good bbbj as per my request and I was so horny, I immediately put my finger to her dirty hole and pussy, we changed the position into 69 so that I could lick her two hole with my finger and tongue, it's heaven, especially if the girl is young and has a good bum, I can't resist myself, I always taste their two hole, do try to give more attention to their ass hole. While she was sucking my cock I put my finger there and sucking her pussy, she was clean and fresh then I fucked her in doggy, missionary and cowgirl and finally shot my heavy load to her beautiful mouth.

Round 2 was same like one, more sex, owo and cum. She told me sometime she does anal as well. This girl is really easy going, polite and not a clock watcher at all.

Highly recommended to others
