The Premises:

A well maintained flat close to Edgware Road tube station and there is street parking only 5 minutes away. The flat is in a quiet street close to a busy area and so is safe and discrete.

The Lady:

Mireille is an attractive blond French lady who is slim, petite but still shapely.

The Story:

When I arrived I was given a hot drink to warm me up on a cold day. At the same time she kindly started rubbing my hands to help and this shows Mireille's style. She is a very considerate and caring person with a tactile approach. Mireille may seem to be quiet but talking would be difficult when she is continuously using her lips in a much more sensual and affectionate way.

A slow gentle build up led to oral both ways, firstly Mireille coming and then me. After a short break, Mireille then showed patience in arousing me again and to put it in a nutshell gave me a good seeing to.
