The Premises:

Entrance down an alley by the church with private gate onto a yard. Felt quite safe at that time of day.

The Lady:

Tall lady with big boobs and a bit of excess in the tummy area, but a good looker nonetheless and a pleasant manner. Said she was new to the place.

The Story:

Quick massage on the front then turned over and she asked whether I wanted a blow job covered or not. I said not and assumed it was extra though she did not say. The blow job was very quick though good and finished with a shag in the mish position. She did offer other positions. All a bit rushed really, she just needs to take more time and give an honest half hour for the money. Finally asked for ?10 for the BJ.
