### The Premises:

### The Lady:

Kelly is nothing like the website. She is at least 30 with sagging tits. Tsui was a large no so pretty chinese girl.

### The Story:

Kelly said there were 2 girls working who would do 30 mins for 120. I was unsure but asked if they would allow CIM/CIF which they both agreed to. I was looking for a PSE with both girls giving OWO but it was not to be. Each girl would clean my cock with a babywipe before sucking it, leading to breaks which were very off putting. This led to me almost not cuming at all!! managed to get both girls to lie down but they pushed their faces away and I came on their stomachs!

A very poor experience one I hope not to have again!!

On an odd note the massage they gave at the end was really good. If they would do a 2 girl massage for 60 quid its recommended! otherwise avoid.

(Im not convinced the other reports are real!)
