The Premises:

Victoria House is well described on other reports & it was the consistency of these reports which helped convince me to make my 1st visit to a massage parlour. VH is very clean & gives the impression of being a well run establishment, i will be making a return visit & will fully utilise the facilities on my return.

The Lady:

Rachael is more attractive in the flesh than her pitures suggest & has a great pair of legs.

The Story:

Well, the massage wasn't up to much...but i didn't really travel to Lutterworth for that, now did i! It was my first visit, but i wasn't exactly nervous, i had hoped to make Jordan's acquaintance, after reading the reports on her, but i had also looked at Rachael's profile & liked what i saw.

After massaging me for awhile, Rachael explained the 'rules' & explained that a hand job would be ?25 (Why would anyone want to pay for just a simple hand job, when the works are on offer!?). Anyway, i had'nt travelled over from Brum for just a HJ, so i took full advantage of what was on offer!

I was a little disappointed to find out that Rachael did not allow Oral on herself (i really love going down) but she was certainly good in that department (i did feel that she was going for it & was a little disappointed that i didn't come then & there!)

From a little hard O, we moved on to the couch & had full penetration doggy style, missionary & on top, with me restraining myself admirably! I had hoped to finish inside Rachael or over her but, maybe conscious of the clock ticking, Rachael didn't give me that option as she finished me off by hand.

1st time, overall, the whole experience was a lot better than i expected/anticipated. Rachael did mention (& plug) that she & Sophie do a double act, however, i think i'll save that option for Jordan & Danielle after i've sampled them both individually...
