The Lady:

Carmen is petite (as per her pictures) but has lovely curves in the right places, beautiful skin and flowing dark hair. She has a wonderful personality and a great sense of humour. Very stylish clothes and great underwear/hold ups

The Story:

I saw Carmen last month which was great, we had a glass of wine and a chat before proceeding to the bedroom.

I'm not going to go into any real detail on what happened next but guys..... if you like punting and if you are reading this you do, then Carmen is a must see. Shes very adventurous but very classy with it. You will not get better value anywhere in London!

Be real nice to her; you will not regret it

If your reading this Carmen.... see you before Christmas
