### The Premises:

Easy to get to, nicely hidden back door from back street; clean place and safe; shower were manky and there was not floor mat on the wood laminated floor.

### The Lady:

Beautiful Italian young lady, gorgous eyes and body with natural breasts; short but perfectly formed; long black hair, very Pretty. Can't speak English at all.

### The Story:

after shower, inentered the room and she was laying on the bed looking waiting with pretty eyes; she offered a massage and i refused and started to kiss and she kissed a bit but refused french. I concennrated on the breasts and worked my way down but she stopped me getting close to licking or kissing or even fingering her down there; very disappointing. I asked a few times and she refused; after 10 mins, i was well disappointed and half erect when she wanted to put on the condom and give me a blow job; she did a bad job of that too; she hasno clew as to what she is doing. I ended up fucking her doggy style and still didn't get fully hard.

Well disappomited, reported her to reception and left. My first and probably last visit to WFB's which is a shame as reports seem to be good.
