The Premises:

near Railway station , behind Staples - but on same floor as City Girls - do have to be a little careful , can be a few men wondering in and out

The Lady:

tall slim blonde absolutly stunning

The Story:

quite a good choice of girls today - went without an appt and was shown summer (who is fantastic) chrissy , sophie etc , but when Tia walked in - mouth dropped and just had to try her out. She started with some kissing with her tongue piercing adding a bit of spice - she then sucked my cock thru my underwear before removing them and giving slow covered oral which was great. She then laid me down and was a top before i knew it - I had to control my self and managed to take her from behind - awesome site !! couldnt manage to long - she obviousy knows how to make men cum quickly . although she is stunning and sex was good - it only lasted 15-20 mins max- may be my fault in not slowing her down - but i will definitely see her again and take my time (if she lets me that is !!!)She is a really pretty girl with a perfect body.
