The Story:

where do you start, its my sixth visit, over the course of three months or so, and everyone of them were memorable,for the sex, and for the friendly welcome, and the good surroundings,the general ambiance of the place.

Moss and Lady M host normally, but this time Lady M was Partying.

All the girls are special in their own unique ways, but all very friendly , and accomodating.

You can just chill out and have a chat and a drink, or go at it from the off, it's up to you.

The girls do put you at your ease, if you are a newbie, as they like to call them. you can do as hard, or soft as you like, if you take my drift!

The girls really enjoy the time, its not really work to them, as they all enjoy the sex, and the company.They enjoy their own company, and you are joining in with them, so you are enjoying yourself as well.

I was having my dick sucked after only 10 mins by Janca, on my first visit, and shot my load. A quick drink and off again for more fun.

They do afternoon , early evening, and evening parties in the week with a Saturday Afternoon once a month, and a Saturday night once a month.

the norm is 2 hours for ?120, three hours for ?160, and 4 hours for ?200(the Saturday Specials.)

with drinks, food, and everything else provided(condoms, and such like.
