The Story:

Found the place quite easilly and entered the flat to be met by a scunning looking woman. Trisha is very beautiful and i got hard already. She was wearing zebra patterned ligerie as in one of the pics on her site. She led me into the bedroom and got me a drink of water. One thing i can say is that trisha is a great kisser, nearly snogged my face off. Afer a while of gropeing and undressing each other, Trisha then gave me an unbeliveable blowjob which almost had me cumming. Luckilly i manageded to keep it down. Then i gave her RO which she seemed to enjoy. After she came, she pulled a small vibrator with a ring attached to it and put it around my cock. The vibrator along with Trisha had me cumming in no time, ever she was surprised by the amount of cum i had. Then spent the last 5 mins chatting.

Would love to see her again.. Next time hopefully i will have sex with her. Guess we will have to see. Next time i might try the duo session woith her and Sue.
