The Story:

What a girl this is,met with a smile and offer of a drink/shower/massage,but refused all three,just couldnt wait to get her out of her dress to manhandle those tits and see her hind quarters at close quarters.Carmen is game for just about anything I should think,great kisser,super body massage(those tits again),really seemed to enjoy being eaten out(made her come this way)with two of my fingers right up her wonderful arse.She wanted a little cuddle as her orgasm subsided but that was fine by me(being such an old romantic). She was soon raring to go,with my cock down her throat,but then on to the main event,quick fuck in mish,then she turned over ,lubed up and gave me her arse. Now I am a definite arse man,but this was something else,I have been to see most of the anal stars posted about on these pages over the years,but none rank as good as this girl,done her arse in every position I could think of then finished all over her face.She told me she was leaving on Saturday but will be back in December,so I said I will return again tomorrow (Tuesday)and I did for much of the same,fucking brilliant, roll on December.
