The Premises:

Good safe parking on a housing estate but not the easiest to find

The Lady:

Blonde curvy 32 year old. Not a page 3 girl by any means but still attractive in a down to earth sort of way

The Story:

This Lady gets off on being an absolute slut and is up for most things. She said 50% of her clients were doms but she likes the GF experience as well. She loves being your fuck toy and is extremely noisy when you treat her rough and take control. Wouldn't recommend her to those of a weak disposition
