### The Story:

I was quite nervous when I arrived but was greeted by a very bubbly and welcoming busty blonde who very quickly made me feel at ease. I paid 60 for the session which was definitely money well spent!! started with a nice long massage and then Michelle asked me to turn over. I asked if I could give her some oral first to which she quickly agreed and it was clear that she genuinely enjoyed it. we then got into the 69 position and she gave me a fantastic blow job (covered) while I licked her I was getting close so we moved onto the sex, she started on top as she says she finds it easier to come which she did with no problems! we finished off doggy style. she then showed me to the bathroom so I could freshen up before leaving.
