### The Premises:

really good flat - certainly all set up for parties

### The Lady:

where do I begin - great to see Lady M back in the saddle and with her were the gorgeous blonde Honey, the sultry Janca, the buxom Robyn and 2 Brazilians Nicole and Alicia - all in all one of the best line ups Ive seen at a party in London

### The Story:

Shower then into action - BJ and doggy from Alicia and a fumble on the bed with Nicole while someone licked her from below. Quick rest then Lady M demanded to be spunked on and I was in no position to refuse virtually dragged into the bedroom and came on her tits. Recovered over the food then gave Janca a session of DATY after she came down she said "you're good at that"! Robyn demanded a good lick and 3 cums later I was allowed up for air before a brief fuck. By now tired with one go left I finished over a surprised Janca who hadnt expected such a full tank. Just a pity I never connected with Honey who looked great but I only kept finding in the sitting room between sessions - next time yes!

So a really great do - glad I got back into partying and Lady M's was a great place to do it - thanks - I'll be back
