The Premises:

Ladybirds is always very friendly and welcoming. The girls are invariably friendly and I always enjoy a chat with Donna, who is receptionist on most days. The reception area is comfortable with several sofas and a supply of hot and soft drinks. Showers, secure lockers, clean towels and robes are always in plentiful supply and the rooms are all comfortable and clean.

The Lady:

Nicole is a gorgeous blonde with long hair in her 20?s, with a stunning figure and beautiful face. Lovely firm breasts and wearing nice black lingerie. I saw her as one of 4 during a long visit to Ladybirds.

The Story:

Nicole entered the room and began a long and sensual massage before suggesting I massaged her. She lay face down and has a great body that responded well to my touch. Before long she turned over and massage led on to my licking her lovely pussy. She certainly liked what I was doing and it is always a turn on to know you are giving someone pleasure. After a while she gave me O before I fucked her mish style. It was great looking at her lovely face and she felt wonderful. It wasn?t long before my inevitable orgasm.

Nicole is a lovely gentle girl with a quiet but sexy nature. I really like her.

Highly recommended!
