The Premises:

Her place is fine. Not the greatest area in the world, but didn't feel unsafe.
Bedroom was clean.

The Lady:

Proper BBW. Big tits and big ass. Really pretty face, no real 'face' shots on her website, so you're always unsure - but no worries here. Photos don't do her justice.

The Story:

Really good, passionate kissing followed by oral WO, spanking (ass and tits), on went the hat for anal, regular (side on) ended with bbCIM. Will definitely be back for more.
