The Lady:

Kelly is in her early thirties and absolute goddess oozing sex appeal and 100 percent feminine qualities, great figure, fantastic tits that are her own and lovely long legs

The Story:

I had been looking forward to seeing Kelly for a long time as I have visited Debbies on many occasions and never been disappointed, however I have to say that my 40mins with Kelly was the best by far that I have ever had at Debbies or any other Massage Parlour.

She is fantastic and makes you feel very special, she has a great personality and knows how to please a man in every way possible.

There were so many highlights that I cannot list them all here but here are a few, reverse oral and cowgirl plus she is the best kisser

I have ever know.

I will be back soon this lady now has another regular who cannot get enough of her.....
