The Premises:

The House of Devine is always immaculate and discrete.

The Lady:

Tia is a young and beautiful girl with a very pleasant and welcoming manner.

The Story:

Tia immediately put me at my ease and after some initial deep kissing she quickly kneeled on the floor and gave me a long and relaxing oral. She was very receptive to my touch and had a wonderfully firm body which I quickly explored. I then undressed her before laying together on the bed. She was very quickly on top, in charge and giving me a very hard shag cowgirl style.

We then tried missionary with deep kissing before I drifted down her body to give her a deep oral. She then flipped over and insisted on me coming from behind which we did for a extraordinarily long time.

We then finished missionary, with her legs clasped around my waste and her pubic bone grinding into me enthusiastically. I finally came in a rush and we both pay their panting and wet with the effort.

This was a remarkable shag and she is not to be missed! I will be back.
