The Lady:

Well she does look like the girl in the pics, while she wasnt bad looking i was a bit dissapointed coz the pics online were absolutely flawless and that wa swot i was expecting (a bit naive i know) but she was gorgeous nevertheless and quite tall, she was taller than me in heel's and im 6;1 so she mut be bout 5;9.

The Story:

Sorted out the cash and was told to lie on the bed now wasting time on the back rub it was straight to owo which was very light and on with the rubber and she got on top and started grinding her hips like she like she was tryin 2 go deeper, flipped her around and banged away till i came, we were both sweating loads, cleaned up had a lil chat and she started blowing me again got hard on with the rubber and we banged in every position we cud cum up with, and she was squealing and screaming for more, what a turn on. we both came and i had a shower and back to work i went. wont be back thou as i wasnt totally impressed and im trying to quit lol!but giv her a try though u probably wont be dissapointed
