The Lady:

Truly epitomizes "BBW"; a label most women use if they're simply big. She really is big and beautiful with a mouth-watering ass. And amazing breasts. Very sweet face to match her disposition.

The Story:

Adaptable girl that she is, she wanted to know in advance what I had in mind, and when she arrived, she delivered! We went right to the good stuff, starting off with some roleplay and when I gave her hints as to how the roleplay might be more intense for me, she took the ball and ran with it, going beyond what I'd suggested, and wonderfully so.

I rimmed her for a very long time (as I said, a very sweet ass!), she sucked me even longer, I ate her pussy, she massaged me, and we finished with some frottage. She doesn't, however, do CIM. But does very nice OWO.

I intend to see her at least once on every visit to this side of the pond. A classy gal and she really does, as I told her, make it "feel like a first date with a really easy gal rather than a callgirl arrangement."
