my hotel, so ok

The Lady:

Stunning girl. About 5ft 10ins, mid to late 30's, but could easily pass for younger. Her greatest physical asset by far has to be those eyes, though the rest of her is difficult to fault.

The Story:

What a fabulous evening. Dinner was such a laugh, she has the ability to make you feel that you are so important to her, and is really interested in you. Time flew past, so it was off to the bedroom!! I won't say much about this very private time except that I cannot remember such a fantastic evening. For all you men out there, I cannot recommend her highly enough, and believe me you won't ever forget those mesmeric eyes.
