The Story:

This was my first visit to Mrs Robinson and from the moment I rang her she wanted to ensure that I had a great time asking how I wanted her to look nothing seemed too much trouble.

I decided to go for the sexy lady boss look with black seamed stockings, high strappy shoes, black skirt and white blouse plus those sexy specs.

When I arrived wow you are bowled over by her looks, I love sexy brunettes and Mrs Robinson is every inch that.

I was taken into the lounge and looked after with a cup of tea whilst we chatted very comfortably, kissed and stoked each other as if we'd known each other for ages.

She led me upstairs, but boy did I ever want to take her from behind on the stairs, as i gazed longingly at her beautiful bum as she strutted up those stairs.

I remember watching the graduate thinking how lucky Dustin Hoffman was and after my visit to Mrs Robinson I now know how lucky i was that she was available.

What then continued is between the beautiful lady and myself but suffice to say she ensured that i was more than pleased when i left with the biggest of grins. She is not a clock watcher as she genuinely wants to have a good time with considerate guys.

The next time I visit I know it will be even better. Thanks for a great time
