The Story:

things were looking good, fabulous girl and a big hard on
we talked for 5 or 10 mins with my cock getting more and more impatient. At last I was offered a shower and dashed in through so I could get on the bed and shag her to bits. So onto the bed and after a mins of massage I turned over and in no time my cock was in her mouth and it was just great. Slowed her down a bit with some reverse oral and 69 and then shagged her for all I was worth. from behind first with knelt on the bed and then with her on top and finally on her back with her legs on my shoulders. Terrific fun and tight pussy meant it was all terrific. Left with huge smile and another appointment booked already.
