The Lady:

Very beautiful girl with massive natural (!) breasts and a tight body. I estimate her to be in her early 20s. As beautiful as in her photos.

The Story:

You know what, some of it was good and some of it was bad. The bad thing was that she smelled of sweat. She should have taken a shower before she met me. I mean, there's no excuse for a girl to ever smell like sweat. Period. It's not very pleasant. However, her punt was great. OWO and CIM as advertised, and her body were great. She really got into it, kissing, the whole lot. So that was really good and I would actually recommend her.
