The Lady:

Very much as the photos, tall, curves in the correct places, not size 0, not fat, perfect really. Sweet smile and good attitude. Her English was very good, a bonus when compared to many eastern europe girls.

The Story:

From the moment I left the shower and entered the bedroom Linda was in control. She knows what she wants and just as important she knows what a guy wants. Deep passionate kissing, more than once I thought she would swallow my tongue. Freezing outside but inside hot and sweaty. Kissing, cuddles, 69 and so much more. She has wonderful technique. Slow slow deep oral with lots of tongue action till I came, she sucked me dry. Linda emerged from the bathroom, subtle taste of mouthwash on her lips. More kissing and touching, unfortunately my time was up, next time I must book a longer appointment, two hours or a lifetime, it would never be enough. Perhaps the best hour I have had with an escort for a very long time. Go and enjoy.
